Subject line: application for DTU_1to1_”your name”  

You will receive (electronic) confirmation of receipt of your documents at the latest on the following working day. It is not possible to submit further documents after the application deadline.
Selection procedures:
The pre-selection is made on the basis of the submitted documents. A rejection or an invitation to interview will be sent to the candidates by e-mail in December/January.

An additional application for the exchange program „TUM SOMex (incl. ERASMUS)“ is possible. In the case of successful nomination for the 1:1 M.Sc. Program in Management the application for the „TUM SOMex (incl. Erasmus)“ is automatically annulled.

Program structure for Master in Management & Technology (MMT):

TUM-students of the Master in Management and Technology (MMT) with management specialization either in Operations and Supply Chain Management or in Innovation and Entrepreneurship are eligible for the 1:1 TUM-DTU studies. The student will follow an individual study plan, which has to be approved by both program coordinators at TUM and at DTU.

The students will study the first and the second semester at TUM. Students should take completely the “Specialization in Technology” and parts of the “Elective in Management & Technology” and the “Management Specialization” either in OSCM or I&E in the first year at TUM (60 ECTS). After their first year at TUM students have accomplished 60 ECTS at DTU (Specialization in Management and/or Electives in Management & Technology and Master Thesis).

The students will study the third and the fourth semester at DTU. Depending on the management specialization, students have to select courses from the categories “Technological Specialization” or “Elective Courses” at the Engineering Management program at DTU either in the field of “Operations & Supply Chain Management” or “Entrepreneurship”.

Master thesis (30 ECTS) will be undertaken at DTU, and co-supervised by a professor from TUM.
Program structure for Master in Management (MIM):

TUM-students of the Master in Management (MIM) with interest either in Operations and Supply Chain Management or in Innovation and Entrepreneurship are eligible for the 1:1 TUM-DTU studies. The student will follow an individual study plan, which has to be approved by both program coordinators at TUM and at DTU.

The students will study the first and the second semester at TUM. Students must take the “Basics in Management, Economics & Law”, “Global Entrepreneurship” and “International Management” in the first year at TUM (57 ECTS). The 1:1 program can be recognized for “international Experience” (3 ECTS) at the end of study.

After their first year at TUM students have accomplished 60 ECTS at DTU. The students will study the third and the fourth semester at DTU. Depending on the management specialization, students have to select courses from the categories “Technological Specialization” or “Elective Courses” at the Engineering Management program at DTU either in the field of “Operations & Supply Chain Management” or “Entrepreneurship”.

Master thesis (30 ECTS) will be undertaken at DTU in the fourth semester, and co-supervised by a professor from TUM.

FAQs:

Can I also apply for the "TUM SOMex (including Erasmus)"?

Yes, parallel application is possible. Should you receive a nomination for the Double Degree Program, your application for the "TUM SOMex (including Erasmus)" will be automatically annulled.

Where can I take the DAAD Test in English?

Our Language Center offers the DAAD Test in English at regular intervals, free of charge. The dates can be found here.
Do I receive an ERASMUS grant?

If to date you have not yet received an ERASMUS grant (SMS) in your second circle of study (Master's Program) then after successful nomination you can apply for the ERASMUS grant by the TUM-SoM International Office.

When should I apply for the program?

In your 1st semester (winter semester) in the Master in Management and Technology (MMT) or Master in Management (MIM).

Is it possible to apply for the program after my 1st semester?

It is only possible for students starting the Master in the summer semester before application deadline in the following winter semester. In this case the application has to be done in the 2nd study semester. Usually the program runs than 2 ½ years, because it is only possible to start the year at DTU in winter semester.
