We, the Global Center for Family Enterprise at the TUM School of Management, TUM Campus Heilbronn (Prof. Dr. Miriam Bird), are now looking for a

Student assistant (f/m/d)
(30 hours per month)

from now until the end of the summer semester (March 31, 2021) – with the possibility of extension – to support research and teaching activities for up to 30 hours per month. We welcome applications from motivated bachelor and master students of all fields. We offer a part-time position during the semester, i.e. either one full working day or two half-days per week. During the semester break, working hours can be organized flexibly.

Requirements:
- Responsible, accurate, and team-oriented way of working
- Fluent in English (command of the German language is an asset but not a must)
- Interest in Entrepreneurship and Family firms
- Above-average examination results

We offer:
- Opportunity to apply and deepen your skills in research
- Flexible working hours
- An attractive work environment
- The position might also lead to a full-time PhD position in the long-run

Did we catch your interest?

Please send your application (motivational statement, CV, transcript of records, certificates including A-levels certificate) via e-mail to jannis.nitzsch@tum.de or via post to Jannis von Nitzsch, TUM School of Management, TUM Campus Heilbronn, Bildungscampus 9, D-74076 Heilbronn. For further information concerning this job offer please also contact jannis.nitzsch@tum.de.

In the case of a postal application, we kindly ask you to send us only copies, as we, unfortunately, cannot return your application documents after the procedure is completed. Note on data protection: When applying for a position at the Technical University Munich (TUM) you are transmitting personal data. Please note our data protection information in accordance with Art. 13 of the Basic Data Protection Regulation (DSGVO) on the collection and processing of personal data in connection with your application. By submitting your application you confirm that you have taken note of the TUM’s privacy policy.
