APPLICATION PERIOD

- Application Period for the Winter Semester: April 1 – May 31 (The Master in Management does not have a spring semester intake)

STEPS FOR A SUCCESSFUL APPLICATION

1. To apply, please complete the application form via TUMOnline
2. If you did not obtain your qualification for postgraduate studies (usually a bachelor’s degree) in a country within the European Union or Switzerland, Lichtenstein, Norway or Iceland, you are required to apply via Uni-Assist as well (for detailed information see link at the bottom). In addition, please refer here for additional special conditions for certain countries: https://www.tum.de/nc/en/studies/application-and-acceptance/special-conditions-for-certain-countries/
3. Once you have completed the online application form, you will receive a list of all documents that you need to send to the main enrolment office ("Bewerbung und Immatrikulation"), along with a signed application form which is provided to you during the online application. Please note that those documents need to arrive at TUM no later than the last day of the application period. Please also refer to the link at the bottom about notarization requirements for certain documents

This list of documents that are required may include the following (a definite list is indicated on your application form)

- Signed application form (will be available through TUMOnline)
- Bachelor’s degree certificates and transcript of records (notarized copy in each case); If you have not finished your bachelor’s degree, you need at least 140 ECTS at the time of application as evident on a transcript of records
- English language certificate (original or notarized copy), can be subsidized if either your entire bachelor’s program was taught and assessed in English or at least 12 ECTS thereof (please refer to the Useful Links section below for more details)
- Standard Resume (Curriculum Vitae)
- Essay including statutory declaration (must also be uploaded to TUMOnline), please refer to the Essay information sheet for more details
- Curricular Analysis (must also be uploaded to TUMOnline as a MS Word or PDF document), link will be provided at the end of the TUMOnline application process
- GMAT certificate (optional)
- Ranking certificate (optional)

If you have questions about these documents, please refer here for more information: https://www.tum.de/nc/en/studies/application-and-acceptance/glossary-of-documents/

4. After sending all the necessary documents to our enrolment office (Arcisstrasse 21, 80333 Munich), your application will be processed and evaluated by various departments. Updates on the status of your application will be available through your TUMOnline account and you will be notified by email when there is an update.
APPLICATION REQUIREMENTS – mandatory

- You have completed the online application via TUMOnline (and possibly Uni-Assist) and sent all the necessary documents correctly notarized to our enrolment office within the application period (exception: the VPD from Uni-Assist can be sent later but you have to apply for it before the end of the deadline)
- You have a Bachelor’s degree or equivalent in Engineering (Mechanical Engineering, Electrical Engineering, Civil Engineering, Architecture or equivalent) or Natural Sciences (Natural Sciences, Computer Science, Mathematics, Nutritional Science, Sports Science or equivalent)
- You have proof of proficiency in English from one of the following options:
  - Your undergrad studies was taught and assessed in English
  - You have a TOEFL (minimum 88 points), an IELTS Academic (minimum 6.5 points) or a Cambridge Main Suite of English Examinations (CAE or CPE; Grades A, B, C)
  - You have completed a minimum of 12 ECTS of modules in which the language of instruction was English (final thesis included)
  - You have a GMAT with a minimum score of 600

APPLICATION REQUIREMENTS – optional

- A GMAT with a minimum score of 600
- A current ranking certificate from your undergraduate studies indicating the rank within you year
