GENERAL INFORMATION

- Application period for the Winter Semester: 1 April – 31 May
- Application period for the Summer Semester: 1 November – 30 November

STEPS FOR A SUCCESSFUL APPLICATION

1. To apply, please complete the application form via TUMOnline: [http://campus.tum.de](http://campus.tum.de)
2. If you did not obtain your first degree (usually a bachelor’s degree) in a country within the European Union (as well as Norway, Iceland, Switzerland and Lichtenstein), you will need to apply via Uni-Assist in addition, please note that the application deadline applies for the Uni-Assist application as well, however, the VPD document can be handed in late: [https://www.tum.de/nc/en/studies/application-and-acceptance/uni-assist/](https://www.tum.de/nc/en/studies/application-and-acceptance/uni-assist/)
3. Once you have completed the online application form, you will receive a list of all paper documents that you need to send to the main enrolment office (“Bewerbung und Immatrikulation”), along with a printed and signed version of your completed application form. The mail address is provided on the application form. Please note that those paper documents have to be received by the TUM enrolment office no later than the last day of the application period.

This list of documents you will need to provide will include the following:

- Signed application form (form provided in TUMOnline)
- Bachelor’s degree certificate (if degree has been completed) and transcript of records (notarized copy)
- Language certificate in English (original or notarized copy)
- Resume / Curriculum Vitae (gap-free)
- Essay including statutory declaration (must also be uploaded in TUMOnline) – please refer to the Essay Information sheet for more details
- Curricular Analysis, accessible through a link provided after the TUMOnline application has been completed
- GMAT certificate (optional)

Please note that you may have to provide additional documents, please check here: [https://www.tum.de/nc/en/studies/application-and-acceptance/special-conditions-for-certain-countries/](https://www.tum.de/nc/en/studies/application-and-acceptance/special-conditions-for-certain-countries/)

4. After sending all the necessary documents to our enrolment office, your application will be processed and evaluated by various departments.

APPLICATION REQUIREMENTS – mandatory

- You have completed the online application via TUMOnline (and possibly Uni-Assist) and sent all the necessary documents (notarized where applicable) to our enrolment office within the application period (exception: the VPD from uni-assist can be sent later, but you will have to have applied within the application period)
- You have a Bachelor’s degree or equivalent of at least 140 ECTS in Management & Technology or in a comparable program with a main focus on both management and technology
- You have successfully completed modules worth at least 25 ECTS in management/business, 10 ECTS in economics and 15 ECTS in engineering or natural science (Maths, Statistics and IT may also count)
- You can prove your proficiency in English with one of the following options:
  - The language of instruction during your first university degree was English
  - The language of instruction of at least 12 ECTS (or equivalent) during your first university degree was English as evident in a transcript of records or as confirmed by the university (also see ‘Useful links’) 
  - You have a TOEFL (minimum 88 points), an IELTS (minimum 6.5 points) or a CAE certificate
  - You have a GMAT with a minimum score of 600
APPLICATION REQUIREMENTS – optional

- A GMAT with a minimum score of 600

APPLICATION PROCEDURE

To help us select the very best applicants, we follow a two-stage assessment procedure. The Eligibility Commission decides to admit an applicant to the program based on the transcript of records and, where applicable, the additional, non-mandatory criteria. Candidates whose eligibility is still in doubt after stage 1 will move on to stage 2.

### MASTER IN MANAGEMENT AND TECHNOLOGY

**STAGE 1:** We assess your...

- First-degree certificate or transcript of records, min. 140 ECTS (max. 59 points)
