1. **Assessment procedure Master in Consumer Science**

1.1. **Entrance Requirements**

To be eligible to apply for the Master in Consumer Science program, applicants must:

(a) hold a Bachelor’s degree or equivalent (at least 140 ECTS at the time of application) in management, economics, or social sciences (e.g. sociology, psychology, communication sciences or equivalent) and,
(b) have a minimum of 15 ECTS in empirical research methods, statistics, quantitative methods or math.
(c) submit a GMAT Score of at least 640 points if you have obtained your first degree (usually a Bachelor’s degree) in China, Egypt, India, Pakistan or Bangladesh.

Please note that under no circumstances conditional admission will be given, in case an applicant does not meet the Entrance Requirements at the time of application!

If your application fulfills all entrance requirements from 1.1., we will start with the first stage of the assessment procedure.

1.2. **Stage 1: Previous academic background + GPA + GMAT (if equals or higher 650 points)**

If an application fulfills the entrance requirements, 10 points will be immediately granted for the min. 15 ECTS in empirical research methods, statistics, quantitative methods, or math. Additionally, 30 points will be granted for the experience gained in scientific writing in the context of a bachelor thesis, a project, a scientific paper, or a comparable paper; modules from the field of business administration / management or in the field of social / communication sciences; and modules from the field of economics or in the field of consumer behavior.

As long as the course has been passed, they can be considered for the assessment. The respective grade is irrelevant for the evaluation of the core module groups. If the application does not have the minimum number of credits stipulated for each category, zero points will be given in that specific field.

Up to 10 points will be given for your overall final bachelor’s degree grade. If you apply with a bachelor’s degree from a foreign country and / or with a grade of grading system other than the German one, your grade will be converted into the German grading system using the [Bavarian formula by TUM](https://www.tum.de) or [Uni-Assist](https://www.uni-assist.de).
The points from the core modules and your final grade will be combined.

Extra points will be given for a GMAT score according to the table below:

<table>
<thead>
<tr>
<th>GMAT</th>
<th>≤ 640</th>
<th>650</th>
<th>660</th>
<th>670</th>
<th>680</th>

</table>

Please note that if you have obtained your first degree (usually a Bachelor’s degree) in China, Egypt, India, Pakistan and Bangladesh you must submit a GMAT Score of at least 640 points with your application. Extra points will be granted only with a score equal or higher to 650. If your Bachelor’s degree has been obtained in any other country, submitting a GMAT is optional for you. If you decide to submit a GMAT, the extra points will be given according to the same table.

The extra points of the GMAT are considered only on the first stage of the assessment procedure.

Please be sure you give the Technical University of Munich the right to verify it online.

The result of stage 1 either leads to:
- a rejection: if the application only reaches 38 points or less
- a direct admission: if the application reaches 50 points or more
- to the evaluation of the essay in stage 2 of the assessment procedure: if the application reaches between 39 and 49 points.

Since the essay is a mandatory document for the application, all applicants must upload it in TUMonline, even if they are sure of obtaining admission in stage 1. We expect our applicants to have a high standard of scientific writing, therefore applicants who fail to meet this standard will unfortunately be excluded from the assessment process in case plagiarism is detected in the essay.

1.3. Stage 2: Points from Stage 1 (without GMAT) + Essay

In case the Essay is relevant for the final assessment, it will be evaluated based on the following criteria, the maximum point score for the essay is 40 points:
- Ability of scientific-logical reasoning (max. 20 points)
- Classification of economic-technical facts (max. 10 points)
- English-language expressiveness (max. 10 points)

The final result in stage 2 consists of the combined points from stage 1 (GMAT not being considered in stage 2) and the total points achieved in the evaluation of the Essay. If the combined total is 69 points or more, the application will be accepted (admission), if the total point score is 68 points or less, the application will be rejected.

Please refer to the info sheet “How should I write the essay?” on our website for more information regarding the essay.
2. How to fill out the Curricular Analysis?

In accordance with Annexure 2 of the examination and study regulations of the Master’s Program in Consumer Science, the assessment commission uses a curricular analysis to assess your eligibility and aptitude. 2.5 FAQs about the Curricular Analysis

Can I also list modules from my master studies or previous study programs? Additional modules that are not part of your main study program but are necessary for a successful application or if you additionally studied at another university should be listed in the Curricular Analysis under the sixth category Subjects from additional transcripts and/or additional degrees.

Can I also list modules that I will finish after my application? No, you are only allowed to insert completed courses that are listed in your Transcript of Records.

I did not get a grade for the course, should I list it? Yes, please list all modules of your transcript of records. If you did not get a grade please leave the field blank.

I’m not sure which category my course fits into. What should I do? Please put it into the “all other subjects”, if you are not sure.

Should I convert grades into the German grading system and credits into the ECTS system? No, please enter the classes exactly as they appear on your transcript of records. If any conversions are necessary, they will be done by TUM.

Which language should the courses listed be in? Please enter the classes exactly as they appear on your transcript of records (German or English). In case you are applying with a translated copy of a transcript of records, please use the translated title (German or English).

Can I enter non-numerical grades (such as A, B …)? No, the system cannot process non-numerical grades. In this case, please leave the grade field blank, we will use the information on your transcript for reference.

I made a mistake. What should I do? If you have made a mistake, please contact admission@wi.tum.de
