Please provide information regarding your undergraduate studies (bachelor program):
- Previous study program: please indicate your previous study program in German or English as stated on your degree certificate e.g. Technologie- und Managementorientierte Betriebswirtschaftslehre, Wirtschaftsingenieurswesen, Industrial Engineering etc. Please indicate the official name of your university and its place and country.

Please indicate the information on GMAT and student ranking (not mandatory). Please submit evidence (original certificates or notarized copies in hardcopy).

After registration you will get an e-mail with your login information.
STEP 2: Entering Courses (Curriculum Analysis)

After registration please enter modules/courses, grades and credits (ECTS) according to the Transcript of Records of your undergraduate studies (Bachelor Degree Program) in German or English.

List them according to the following subject groups:

1. Fundamental subjects in Engineering (for example Mechanical Engineering, Electrical Engineering, Civil Engineering & Surveying, Architecture)

2. Fundamental subjects in Natural Sciences (for example Natural Sciences, Computer Science, Chemistry, Physics, Mathematics, Nutritional Science, Sports Science or equivalent)

3. Fundamental subjects in Management & Economics (for example Finance, Marketing, Accounting, Macroeconomics)

4. All other subjects

Please assign all modules/courses that do not fit in one of the above mentioned subject groups (no. 1-3) to the category no. 4: All other subjects.

If you have already written or are currently writing your bachelor thesis please insert the title of it.

Please note that all compulsory and elective modules must be listed and correctly assigned! Additional modules that are not part of your study program should not be listed. Please find an example below:
Please enter the name of the course/module as stated on the transcript (Leistungsnachweis) in German or English.

Please enter the number of credits you have gained for the course as indicated on the transcript.

Please enter your grade as indicated on the transcript. Foreign grades do not need to be transferred into the German grading system.
STEP 3: Submission

Before sending the form online, please verify, if all your entries are correct and complete. Print the pdf-form after submission and add it to your printed TUMonline application forms and mail them along with your application.

If you have any questions, please contact admission@wi.tum.de

FAQs

Can I also list modules from my master studies or previous study programs?

No, you are only allowed to insert courses of one bachelor program (undergraduate degree program). The program must be completed at time of enrollment.

Can I also list modules that I will finish after my application?

No, you are only allowed to insert completed courses that are listed on your Transcript of Records.

I did not get a grade for the course, should I list it?

Yes, please list all modules of your transcript of records. If you did not get a grade please leave the field blank.

I'm not sure which category my course fits into. What should I do?

Please put it into the "all other subjects", if you're not sure.
