Exam registration/deregistration deadlines, Winter Semester 2017/18

By decision of the examination committees for degrees offered by the school, the registration period for all exams taking place in Winter Semester 2017/18 at TUM School of Management, the Department of Electrical, Electronic and Computer Engineering, the Department of Mechanical Engineering, the Department of Informatics and the Department of Mathematics is November 20, 2017 to January 15, 2018, unless otherwise stated by the relevant examiner.

You can deregister from exams up to 1 week before the date of the exam (exception Department of Mechanical Engineering and Department Electrical and Computer Engineering until TWO weeks before exam !).

If you sit the exam without registering for it, your exam result will not be recognized!

Exceptions:

- TUM School of Management:
  - WI001114 Strategic and International Management (13.12.17): 22.11. - 06.12.17
  - WI000984 Entrepreneurship (15.12.2017): 06.11. - 03.12.2017

- TUM School of Management (Electives)
  
  Please note the announcements of your relevant examiner !

- Department of Informatics:
  
  Please note that there will be a separate period for midterm exams.

- Department of Chemistry:
  
  Exam registration/deregistration periods for Chemistry vary depending on the exam in question. For individual deadlines, please refer to TUMonline.
Please note: In line with a decision of the examination committee from November 2013, late registration is no longer possible after January 15, 2018.

Please check in TUMonline that you are registered for the correct exams by January 15, 2018 at the latest, and also double check whether you are registered for the correct exam location (Campus Munich or Campus Straubing), if applicable. In the event of problems, please contact Ms. Beate Pommer (beate.pommer@wi.tum.de).
